

What are IDRC's top 50 stories? Help us decide for the Centre's 50th anniversary.

IDRC will celebrate its 50th anniversary in 2020. One way the Centre will mark the occasion is by highlighting the most memorable and compelling successes that have defined it since 1970. These stories about the Centre's impact in the world will be presented online and/or in a commemorative coffee table book.

As IDRC alumni, we're calling on you to help us identify the 50 most important, exciting, and profound stories that emphasize the Centre's critical role and value in Canada's efforts to improve lives around the world. In a few lines, tell us which people, projects, and results best represent IDRC's achievements and milestones since 1970.

Please submit your ideas using the [Survey Monkey link](#) by **January 31, 2019**.

We value all of your ideas, but note that given the volume of submissions we expect to receive, not every story will be selected as a 50th anniversary highlight.

The story selection committee can be reached at 50@idrc.ca.

Thank you for helping to make IDRC's 50th anniversary truly memorable,

Joanne Charette, Vice-President Corporate Strategy and Communications; Liane Cerminara, Senior editor; and Chris Mason, Senior writer
